

# LIGHT THE NIGHT VANCOUVER 2011

## DILLON CAMERON CORPORATE WALK CHAIR

**Dillon Cameron, CFA** joined Deans Knight Capital Management Ltd. in September 2000, and has become a partner of the firm. He is now responsible for managing the Deans Knight income generating funds. Dillon is actively involved as a mentor in the UBC PMF program, guiding individuals who are pursuing similar careers.

Born and raised in Vancouver, Dillon is married and raising young twins. In May 2009, Dillon completed his first triathlon and also became the top fundraiser in Canada as a member of The Leukemia & Lymphoma Society of Canada (LLSC) Team In Training program. In his spare time, Dillon enjoys playing soccer, hockey, and tennis.

Through his involvement with Team In Training, Dillon has joined the Light The Night (LTN) team to achieve increased support from the corporate community. As corporate walk chair, Dillon encourages companies in Metro Vancouver to support LLSC's mission by registering a corporate team and sponsoring Light The Night with a donation.

LTN is an excellent opportunity for companies to increase their community involvement by engaging employees to collectively fundraise for a meaningful cause. Whether you participate in honour or memory of a colleague, or simply wish to *give back*, LTN will certainly be a rewarding experience.

Should your company wish to participate in LTN this year, please contact Monica Sayers, Campaign Director at [monica.sayers@lls.org](mailto:monica.sayers@lls.org) or 604-733-2873 ext. 5199.
